About Camp:

Nestled in the timbered foothills of the Endless Mountains of Northeastern Pennsylvania, Camp Iroquoia offers boys, girls and adults the enriching experience of getting close to the land. The God-given treasures of nature are plentiful at Iroquoia, assuring each camper the most satisfying "outdoor adventure" possible.

Spiritual growth is a very important aspect of camp life at Iroquoia. It is our aim that each camper has a wholesome Christian growth experience by learning to know the Lord better through His Creation and His Word. Dedicated Christian counselors seek to learn the individual needs of each person. We try to lead all campers to a personal knowledge of Jesus Christ as Savior and Lord and guide them in the development of their Christian lives.

A truly thrilling experience for any boy or girl is learning a new skill while at camp, and at Iroquoia there is a wide variety of exciting activities from which to choose. True woodsman camp crafts as well as the popular skills of canoeing, swimming, archery, and sportsmanship are demonstrated and taught by an experienced staff of counselors.
